The newly-formed Veterans Club assists our armed forces veterans returning back to the campus by providing help to each member. An opportunity to keep up with the most recent veteran benefits is one of the club's most beneficial services.

Any former member of our armed forces who received an honorable or medical discharge is eligible for membership. One of the club's main activities throughout the school year is a trip to the Oteen Veterans Hospital at Christmas, where the members cheer up the patients with baskets of fruit and friendly smiles.

Our SGA, the middle man between the administration and the student body. Comprised of four officers and 27 elected representatives, the various duties of the association include sponsoring dances, conducting campus elections, and nominating students for faculty committees. Fourth Annual Golf Tourney Huge Success

A total of 68 golfers from CCC and TI entered our golf tournament in May, with several winners coming out on top at the end of the day. This annual day of fur out on the links, with the staff and faculty joining the students, was held at Cedar Rock Country Club.

Winner of the mens' low net trophy was Don Adams, with Tom Peterkin as runnerup. Barbara Thomas led the field in the womens' low net award. Eddie Hicks captured both the low gross and closest to the pin; Ernest Frazier and Dwight Jones had the fewest putts; longest drive of the day was teed up by Burl Taylor.

SHOULDN'T THIS CHECK BE MADE OUT TO THE SCHOOL, MISS QUIGLEY, RATHER THAN
TO YOU PERSONALLY?
